WISHING YOU \* A MERRY CHRISTMAS

We choose the simple, age-old greeting, "Merry Christmas," to hail you, our friends, in this joyous holiday season. We choose these time-worn words because we believe them best qualified to carry the full quota of sentiment and Christmas good will that we want to convey. To have served you from time to time has indeed been an enjoyable experience, and we will strive to merit a continuance of your patronage and friendship during the coming year.

AN old-fashioned Christmas... the kind of a Christmas that helped make the gay 90's gay... yes, the kind of a Christmas that the old family album could tell about so eloquently—that's the kind of a Christmas we wish for you and yours.

We're grateful for your patronage during the past year, and hope for a continuance of our pleasant relations.
